CAMPUS UPDATES

1. December 2023 - Renovations of the historic LeClaire Hall are complete. The building opens as Higgins Hall for Innovation and Human-Centered Design home of the Institute for Person-Centered Care, School of Social Work, and the Master of Public Health program.
2. Over the summer, the cafeteria in Cosgrove Hall underwent a major renovation, changing not only the look of the entire space but also expanding its menus and creating a more social environment. It also got a new name – The Grove.
3. New Programs: Master of Science in Mechatronics Engineering (MSME) & BS in Biochemistry

FUN FACT

A legend about Ambrose as an infant recounts that a **swarm of bees settled on his face leaving behind a drop of honey**. His father is said to have considered this a sign of his future eloquence and honeyed tongue. *Plus—we're the only fighting bees in the nation!*
