

# Visit the Hill 2019

## Iowa ACAC Travel Scholarship Application

Iowa ACAC, and its Government Relations committee, want to provide professional school counselors the opportunity to not only attend Visit the Hill, but also bring students. Students will gain valuable information about State issues that directly influence their attendance in Iowa higher education institutions, and will have an opportunity to go to “The Hill” and meet directly with their legislators and discuss the impact these issues have on them.

**The scholarship will cover transportation expenses to and from the conference. The scholarship amount is up to \$50 depending upon transportation costs. This scholarship should make the conference free, or close to free, for high school participants!**
